## **Biographies**

**Bill Atkinson, PhD**, has spent three decades as a hospital administrator, most recently as president and CEO of WakeMed Health and Hospitals. Bill is president of Guidon Healthcare Consulting.

\***Derek Bergsten, MPA**, is a paramedic and the chief of the Rockford Fire Department. He also has received the Chief Fire Officer (CFO) and Chief EMS Officer (CEMSO) designations from the Commission on Professional Credentialing.

**Ted Delbridge, MD**, is the ECU Distinguished Professor and Chair of the Department of Emergency Medicine at East Carolina University, and Chief of Emergency Services at Vidant Medical Center in Greenville, North Carolina. He served as the principal investigator for the original *EMS Agenda for the Future*.

\***Marianne Gausche-Hill, MD**, is medical director for the LA County EMS Agency. Board certified in both emergency medicine and pediatrics, she also serves as the director of EMS and director of the EMS and pediatric emergency medicine fellowships at Harbor-UCLA Medical Center.

**\*Andy Gienapp, MS, NRP**, is the EMS manager for the state of Wyoming Office of EMS. He also has nearly three decades of military experience and currently serves as a medical operations officer in the Wyoming Army National Guard.

**Keith Griffiths** served as one of the lead writers for EMS Agenda 2050, working closely with the TEP to put their vision into words. The founding editor of JEMS, the Journal of EMS, he is president of the RedFlash Group.

**\*Alex Isakov, MD, MPH**, is a professor of emergency medicine and director of the Section of Prehospital & Disaster Medicine at Emory University in Atlanta, Georgia. Board certified in both emergency medicine and EMS, he also serves as medical director for several first-response, ground and air ambulance services

**\*Jeffrey Jarvis, MD, MS, EMT-P**, is medical director for Williamson County EMS and Marble Falls Area EMS in central Texas and board certified in emergency medicine and EMS. Prior to attending medical school, he served as a firefighter, paramedic and state EMS training coordinator.

**Art Kellermann, MD, MPH**, is Dean of the F. Edward Hébert School of Medicine at the Uniformed Services University of the Health Sciences in Bethesda, Maryland. An emergency physician and epidemiologist, he previously served as chair of the Department of Emergency Medicine at Emory University and later as director of RAND Health.

**Heidi King** is the deputy administrator of NHTSA. Deputy Administrator King also worked in law enforcement and emergency telecommunications and volunteered as an EMT for several years with the Chatham Emergency Squad in New Jersey.

**\*Kyra Neeley King, MEd, EMT-P**, is a lieutenant and paramedic with the Fire Department of New York and currently serves as a fire commissioner liaison.

**Reid Kiser, MS**, is the president and CEO of Kiser Healthcare Solutions and senior vice-president for quality measurement and improvement at EMS Compliance.

**Jon Krohmer, MD**, is the director of the NHTSA Office of EMS. Board certified in emergency medicine and EMS, he served as a local EMS medical director in Michigan prior to joining the DHS.

**\*William Leggio, EdD, NRP**, is an assistant professor and the paramedic program coordinator at Creighton University in Omaha, Nebraska. He has worked and volunteered as a paramedic in several systems, and also spent four years teaching and developing a university paramedic program in Saudi Arabia.

**Jeff Michael, EdD**, the associate administrator for research and program development at NHTSA. Previously, he was the chief of NHTSA's Emergency Medical Services (EMS) Division and later director of the Impaired Driving and Occupant Protection Office.

**\*Kevin Munjal, MD, MPH, MSCR**, is an assistant professor in the Department of Emergency Medicine at the Icahn School of Medicine at Mount Sinai in New York City and also serves as associate medical director of prehospital care for Mount Sinai Medical Center.

**Joe Penner, MBA**, is the executive director of Medic, the primary EMS service for Mecklenburg County, NC. He is a fellow of the American College of Healthcare Executives and a board member of the American Ambulance Association and vice chair of the board for the Commission on Accreditation of Ambulance Services.

**\*Ernesto Rodriguez, MA, EMT-P**, serves as chief of Austin-Travis County EMS in central Texas. His three decades of EMS experience include service as the assistant state EMS director for the State of Texas and director of Operations for MedStar in Fort Worth.

**Mike Taigman, MA**, served as the facilitator for EMS Agenda 2050. He has more than four decades of experience in EMS and performance improvement and currently serves as improvement advisor for FirstWatch.

**\*YiDing Yu, MD**, is a primary care physician with Atrius Health in Boston, Massachusetts. She is also the founder and former CEO of Twiage.

**\*Member of the EMS Agenda 2050 Technical Expert Panel**
